News Roundup

General Business

Welcome all back to the New Year - We are looking forward to a successful 2018 for Redeye, with a number of key projects due to kick off in the coming months.

We ask that you all continue to focus on delivering each project with the safety of all in mind and the aim of providing consistent quality to our customers.

In December we had the annual Redeye Xmas party and we thank all those who attended - It was a real enjoyable night. We trust everyone enjoyed the evening, particularly those who received well deserved awards – *"The 10 Years Club"* and *"Young Vern"*.

Our Sponsored Teams

Red Eye has for the past few years had a mens OZ Tag team. The team is led by their fearless captain Col Masterton "Big Red" and is in division 2 of the Woongarrah competition. This comp they seem to be struggling in 7th position on 12 points. Unless we see improvement we may need to reconsider our sponsorship for next season!

WOONGARRAH MENS DIVISION 2

Venue: Woongarrah Sporting Complex								
		Win	Loss	Draw	For	Against	Diff	Points
1	MOUNTIES	1	6	1	33	50	-17	11
2	TURTLES	5	3		39	26	13	18
3	MUFFIN STUFFERS	4	3	1	50	36	14	19
4	THE PHANTOMS	6	2		39	34	5	20
5	CHEESE BEANIES	7		1	50	23	27	23
6	QUICK FINISHERS	5	3		44	35	9	18
7	SAUSAGE	6	2		52	28	24	20
8	BYE							
9	MAVERICKS	1	6	1	25	47	-22	11
10	RED EYE	2	6		33	53	-20	12

Last football season we also provided sponsorship to the Petersham Junior Rugby *"The Shammies"*. Each year the Under 13 team tours New Zealand for a week and this years team was successful in winning the shield. Well done to all the boys – The RedEye Touring uniforms must have done the trick!!

BD Tendering and Estimating

Tendering opportunities for Red Eye remain positive with the team working to close out a number of projects. To date, for this Financial Year the Tendering team has secured an additional \$25M of work.

Recent Projects won include with construction on both projects commence this month:

- **Tuggerah Lakes Private Hospital:** **\$15 Million**
- **Day Surgery Fitout, Hurstville:** **\$3 Million**

Upcoming Project opportunities for Interior Services include two (2) fitouts within the existing SOMA Health Hub project, Gregory Hills. If successful these projects would start in April / May:

- **SOMA Restaurant** **\$1 Million**
- **SOMA I-Med Radiology** **\$700K**

We are also continuing discussions and pricing of a number of Construction Project opportunities:

- **The Hills Clinic Kellyville:** **\$8 Million**
- **The Vintage, Hunter Valley:** **\$15 Million**
- **South Coast (Wollongong) Private Hospital:** **\$10 Million**
- **Warehouse Facility, Holborn Crt Gregory Hills:** **\$10 Million**

Other project opportunities include Dooman Reserve Sports Facility (\$3M) and Somerset Private Hospital (\$15M)

Projects

Tuggerah Lakes PH:

Site works for this \$16 Million design & construct hospital Project have now kicked off Delegates from hospital operator Healthe Care joined local MPs and business leaders to turn the first sod on the project in late November.

The new hospital, located in Kanwal, directly opposite Wyong Public Hospital, includes 3 operating theatres, 14 recovery bays, 6 recovery chairs, 20 inpatient overnight beds and consulting spaces.

Once completed in late November this year, the facility will cater for Day Surgery and short stay patients for multiple specialties including orthopaedics, gastroenterology, ENT, plastics, urology, general surgery, and vascular among others.

Brokenwood Winery:

This \$4.5 Million Project involves the construction of a new cellar door – wine tasting room, lounge, restaurant and commercial kitchen with viewing area to the existing wine processing shed including adjacent carpark and terrace. The project team lead by Mark Bennellick and Col Masterton commenced civil works in early November with construction of the carpark, preparation of strip and pad footings along with the block retaining wall.

Mingara Medical Centre:

The Mingara Medical Centre project is now complete with handover of the building just prior Xmas and the centre is now operational. The building internal main entry and staircase is an impressive as is the external design and finish. Congratulation to Dave Rennie and all the team involved on the project.

Brisbane Waters Private Hospital:

This \$9.5 Million extension to the existing hospital is nearing completion with handover scheduled in the coming week. The project team of Jason Rose, Zac Nielsen and Nick Oliver have done a fantastic job in delivering this project which involved a single level construction with main entry, 24 bed ward, Oxygen cylinder enclosure and hydrotherapy pool.

A separate stage Mental Health facility was also awarded to RedEye with works commencing prior to Xmas and will continue through to April/May.

IT & Communications

Our IT team has been working to document the setup of laptops to streamline the on-boarding process for new Red Eye employees. To provide better protection of laptops all new starters now receive a carry bag / back pack.

REMINDER: Project Managers / Supervisors - On completion of your project you need to contact IT to collect all your site IT equipment.

Should you have any IT related issues contact helpdesk@flipsideit.com or phone 1300 354 774. This includes issues relating to the Online Inductions and the Online HSE Reporting.

Safety

ChemALERT

In November RedEye launched the Online ChemALERT system. ChemAlert is a leading chemical safety management system developed to provide a centralised database for the management of chemicals at ALL RedEye sites.

The system will be maintained by Alan Fuller, with access provided to all Project & Trades Managers including Supervisors.

ChemALERT Features include:

- Access to the ChemAlert database of original manufacturers' Safety Data Sheets (SDS).
- SDS continually updated to keep them within the 5 year validity period.
- Risk assessment capability, stock management system and reporting.

Access to the system is available via the Red Eye website.

People

New Starters: We welcome four **(4)** new starters to the Red Eye team in the past few months:

- **Tony Hartmann (Project Supervisor)**
Tony started with Red Eye this month and is working on the Toronto Private Hospital project. Tony is from the Newcastle region and has experience with tier one and tier two companies such as John Holland, Watpac, Buildcorp, and Kingston Building. Tony's project history ranges from \$1m- \$100m.
- **Greg Charlton (Contract Administrator)**
Greg started with Red Eye in December and is working on the Brokenwood Winery project. Greg is an experienced construction professional and licensed builder who has spent parts of his career as a contractor and most recently permanent with Lahey Constructions working on a Police Station down the South Coast. Greg has worked with companies such as ADCO, Richard Crookes, Downer and has experience across site management roles and contract administration roles.
- **Blake Donovan (CADET, Junior Contract Admin)**
Blake started with Red Eye in December and will be working with Mark Bennellick & Col Masterton on the Brokenwood Winery project. Blake is currently studying Bachelor of Construction Management.
- **Abbie Sydenham (Finance Administrator)**
Abbie also started with Red Eye in December and is working with the Finance team to support Karen and Molly. Abbie has approx. 6 years working experience in finance & administration and was most recently working with RED Global Cranes.
